Happy New Year

Welcome to 2012! We are excited to begin a new year and want to say thank you for all your support, dedication and friendship over the years. Our **Let's Do Lunch** members, guests of our luncheons and our charities are very important to us. We look forward to continuing to nurture and grow our relationships in the Durham Region and as always, helping you promote and showcase your business.

Here's to a successful, healthy & happy 2012!

We found a great quote that we wanted to share with you:

"Success is often achieved by those who don't know that failure is inevitable." – *Coco Chanel*

It's always nice to hear good things about what we do here at **Let's Do Lunch**. We wanted to share this message with you from Mary Bone- Executive Director of Habitat for Humanity Durham who were showcased at our last luncheon; Building Hope as our charity of choice. We were very pleased to receive such high praise from her!

"What can you say about **Let's Do Lunch** other than FANTASTIC group of people to work with. Very easy going, and the best part is they LOVE what they do!

The **Let's Do Lunch** Team welcomes you into their circle with open arms, then they host a fantastic afternoon with a brilliantly selected lunch, and at the end of it give you money! The Charity of choice that is...

Our time with **Let's Do Lunch** was amazing, the food and company were spectacular.

If you are thinking about being a part of **Let's Do Lunch** you couldn't pick a better group of individuals to share your time with, I recommend them whole heartedly!

Thanks Team, you are Habi-tastic!

THE LAKERIDGE HEALTH WHITBY FOUNDATION

Lights....Camera....Fashion

We are putting the final touches on our Feb 10th **Let's Do Lunch....Lights...Camera...Fashion** luncheon and Lisa Zanlungo, Executive Director of the Foundation wanted to share some information with you:

Lakeridge Health Whitby hospital recently reopened due to a fire that closed its doors for almost four years. This hospital is unique and a very special place. We are regarded as a Centre of Excellence! Our mandate is to care for our most frail and those with medical concerns in need of a personalized, longer term care plan such as dialysis, patients with dementia, stroke patients, and those in need of physical and respiratory rehabilitation and in some cases, awaiting a lung transplant. We are a recognized leader in providing specialized rehabilitation and restorative care to our patients and support to their families.

The Lakeridge Health Whitby Foundation fundraises to provide newer types of equipment that can transform a patient's rehabilitation. We are very grateful to **Let's Do Lunch** for supporting the Foundation and this annual event through their organization. This luncheon's fundraising proceeds will be used to support the individualized wellness plans of the patients we care for. We are looking forward to seeing you there and thanking you in person for supporting our organization. Thank you Sue and Debbie for supporting the Lakeridge Health Whitby Foundation.

As we mentioned in our last newsletter we will also be promoting the 9th Annual Lakeridge Health Whitby Foundations Fashion Show - **Lights....Camera....Fashion....** being hosted at the Whitby Campus of Durham College. There is a wonderfully dedicated and committed group of volunteers organizing this event and you will meet many of them at the luncheon.

What surprises do we have planned for our guests? We are excited to announce that we have **Darren Brown** performing for us during the luncheon! Hang on to your hat and get ready to enjoy a fantastic tribute to the one and only Garth Brooks!!

In this lively tribute Darren will have you dancing in the aisles and you will truly be amazed.

Darren is a true Garth fan, and although he enjoys and sings all types of music, his heart is in country. He started into this as a hobby a few years ago and fell in love with it. He now performs throughout Canada and United States at fairs, festivals, theatres, private parties, charity benefits and corporate venues. We are thrilled to have Darren join us and look forward to his performance!

Dress Up to Ignite Your Business

Do you look the part? Would you do business with you? **"Dress For Success", "Power Dressing", or "Dress for the Job you Want, Not the Job you Have"** - however you phrase it, like it or not, what you wear and how you put it together plays a HUGE role in taking your business to the next level.

Every morning when you get dressed, look at yourself in the mirror and ask yourself if what you see will accomplish your business goal for the day. Does your appearance tell your audience, client or potential client that you are an expert in your field? Does it tell them that you have your own personal style and brand, that you are not just another business woman in the vast sea of entrepreneurs?

If you want to ignite your business, ignite your style. Dress up. Be the woman you look at and say "WOW", she has style, looks successful and has my attention. You can be that woman just by wearing the right styles not only for your profession, but for your body shape, size and age—within any budget.

Contact JANICE JOHNSON, Personal Stylist & Image Consultant, at: jj@imageconsulting.com to learn how to Dress Up to ignite your business to achieve results you never imagined possible.

A Message from Leanne Paty—Reflections Photography

After speaking to most of you over the holidays it seems that almost all of us (myself included!!) didn't get around to taking our family portraits before Christmas; therefore, I am going to run a special to make it easier to get them done. For \$100, you can come to my home studio for a family portrait sitting and I will edit and put the pictures on a CD in both print and email formats. Sitting times are Wednesday or Thursday nights at 7:00 and usually last about an hour, more if we need it! We can even throw some Santa hats on and you can use them this Christmas. Send me an email or give me a call and let me know if you would like to set something up.

Happy New Year! Call 905-668-3387
