Happy St. Patrick's Day!

## Let's Do Lunch—Share A Little Magic!

A big thank you to all who shared **Let's Do Lunch—Share a Little Magic!** What a fabulous day! The snowy start to the day didn't stop the excitement of those in attendance and guests enjoyed networking and meeting other local business owners. The buzz was in the room! We were pleased to share our 20th luncheon with our guests and want to thank Lance Brown from CTV Toronto News for taking the time to share it with us. Your words of inspiration and dedication to the Big Brothers Big Sisters agencies touched us all.

Lance was kind enough to share the following after the luncheon, "I was very impressed with how organized and informal your lunch the other day was...it looks like a great way to network with people and be with friends at the same time. I was exceptionally impressed by the food, too!

I find while we might look for results in the children we mentor or are Big Brothers and Big Sisters to, we often find the most easily discernable results are in ourselves. It's the sense of good that comes from helping, I presume, yet I'm certain that these children help me more than I ever could them. They give me my youth, my optimism, my perspective back. And as Margie can surely attest, I need all the perspective I can get, sometimes".— Lance Brown, CTV Toronto News

Special thanks to Carol, Chef Eng and the team at Royal Ashburn for an outstanding luncheon and service! The Death by Chocolate dessert was good to the last delicious drop The morning goodies were absolutely delicious and artfully displayed, thank you to Elizabeth and Christine you make a fabulous team! We look forward to the next luncheon to see what goodies you will create for us then.

We welcomed new **Let's Do Lunch** members and guests to their first luncheon and are pleased to share the following quotes:

"**Let's Do Lunch—Share A Little Magic** was excellent in terms of the venue & food. They also helped raise awareness on special charities & organizations in Durham. I met some wonderful people, I'm still energized from it and looking forward to the next luncheon!"

— Annie Henderson, News Advertiser

"My **Let's do Lunch** day was terrific! It was an outstanding opportunity for networking and I met some truly amazing people. There was much energy in the room! I really enjoyed learning about Big Brothers and Sisters and was happy to contribute to such a wonderful organization. I'm already looking forward to the next luncheon".—Marty Britton, Britton Management Profiles Inc.

Also wonderful to have in attendance was Ted Seath and Tina Grant from Durham College. Durham College has been instrumental to the success of **Let's Do Lunch** from the very beginning and we were so glad they were able to celebrate this 20th luncheon with us. Sam, High School Co-op Student for Sue Pitchforth, Room For Change attended her first luncheon and did a wonderful job showcasing her decorating/staging company in our **Let's Do Business** area.

It was a wonderful experience to work together with the Big Brothers Big Sisters Agencies from across the Durham Region to raise awareness and funds for this deserving charity. We were able to raise 1550.00 towards in school mentoring programs Go Girl and Game On. Special thanks to our corporate donation and funds raised through Let's Do Lunch members Michele, Cartridge World Oshawa and John & Marilyn Garry, Once Upon A Child.

Waiting lists exist in Durham for a mentor, if you or someone you know are interested in learning more please contact your local branch or visit the website at:

## Let's Do Lunch—Have A Heart—Friday May 27th, 2011

As one luncheon ends another is in the works. Over the next couple of months we will be working closely with Laura Celsie, founder of Wyatt's Warriors and charity for our next luncheon to be held Friday, May 27th at Royal Ashburn Golf Course.
